1. WELCOME MESSAGES

Dear delegates,

Dear friends and colleagues,

The 2025 FISU World University Games Winter in Torino, Piemonte (Italy) is drawing inexorably closer. "Torino" is a name that has a unique and incomparable significance for FISU. Not only was FISU founded in this beautiful city in 1949, but Torino also hosted the first ever Summer Universiade ten years later in 1959. Moreover, Primo Nebiolo, FISU President from 1961 to 1999, also contributed to strongly linking Torino and FISU together.

Having held the Winter Olympics in 2006, Torino also hosted the Winter Universiade in 2007. Now, we are all preparing to return to the birthplace of both FISU and the Universiade, but also to the mountains in Sestriere, host of the 1966 Winter Universiade and an important cluster for the upcoming Torino 2025 FISU World University Games Winter.

I am very grateful to the Organising Committee of the Torino 2025 FISU Games Winter, but also to the political, academic and sport authorities who are making this student sporting highlight - set from 13 to 23 January 2025 - possible. It is thanks to their unwavering commitment and belief in the values of university sport that these FISU Games will take place.

I wish you all a smooth and successful preparation for your mission at the Torino 2025 FISU World University Games Winter and look forward to welcoming you to the opening ceremony in Torino on 13 January 2025.

Leonz EDER

President of the International University Sports Federation

*Dear Delegates,
Dear Student-Athletes, Coaches, Dignitaries, and Presidents of Member Federations,
Dear all,*

It is a great pleasure for me to present the Technical Handbook for the Torino 2025 FISU World University Games Winter.

This handbook contains all the necessary information about the Games and the technical aspects for each sport, serving as a comprehensive guide for all participants and delegations involved.

The Torino 2025 FISU World University Games Winter will feature a total of 11 sports, divided into snow and ice disciplines.

However, what fills me with particular pride is that, for the first time in the history of the FISU World University Games Winter, we will be hosting two parasports competitions: Para Alpine Skiing and Para Cross-Country Skiing.

This event promises the perfect setting for high-level competition across six stunning areas of Piedmont, an Italian region with a rich history in both sports and science: Turin, Sestriere, Bardonecchia, Pragelato, Pinerolo, and Torre Pellice.

I am looking forward to welcoming the big family of the Winter University Sports in Piedmont in just a few months' time!

*Alessandro Sciretti
President of Torino 2025 FISU World University Games*
