Agenda

Intervient	Discussion
Welcome	Alessandro Sciretti opens the meeting and does the roll call. Rui Magalhães explains the main points for the meeting:
Rate cards	If some of you have not received their items yet, please reach us to us and we will assist you as best as we can.
VAPPs	Extra VAPPs requested will be available. We would like to stress this: please do not photocopy them. It is not fair to the others who have requested them. We know that this is happened.
Arrival & Departure	Every day at 2pm the Arrivals & Departures list for the following day will be published. The list will be available at the Delegation Services info desk and will be shared digitally, on Whatsapp. Arrivals and Departures lists are verified with accreditation; you can help us by communicating the changes related to your delegation.
Washing machines in Bardonecchia	Two washing machines arrived today and were installed.
Waxing situation	We'll provide tents on top of the staircase. Each tent will be heated and will have the waxing teams inside. Tables will be available for everyone to share.
Laundry in Bardonecchia	About laundry: please return the laundry cards because otherwise someone else has to pay for the service. We need to share spaces, so it's important to cooperate.
Comment	Please be mindful in how you talk to people involved in the event, especially the volunteers, since they are not paid staff and are taking their time to be here and help us.
Question from the United Kingdom of Great Britain and Northern Ireland	Q: We have coaches that are present all day for curling matches (male & female matches). This is a 14-hour day. At the venue they're saying they cannot eat there - can this be looked into please, as coaches and medical staff are part of the team? A (Massimiliano Ranauro): I will be glad to investigate right now and tomorrow morning I will visit the site as I am in Sestriere now.
Question	Q: There has been a lack of transportation from Lago Losetta to Pragelato Ruà. A (Enzo Calabrò): Considering the European law for drivers, it is mandatory to take a break during the day. Today the break happened during competition hours, I apologise. We will try to make the drivers stop without impacting competitions.

Comment	<p>Q: The buses from Olimpia to Palatazzoli are never on time. There were big concerns today. A (Enzo Calabrò): Thank you for telling me, I will double check and make sure that it will not happen again.</p>
Comment	<p>In Olimpia it would be great to have more energy food for breakfast. If you arrive later in the morning, you don't find enough food, especially bacon and eggs. A (Massimiliano Ranauro): I will inform the manager of the canteen. Rui Magalhães: We talked to every hotel and we will make sure that the food service will be up to the standards.</p>
Question from United States of America	<p>Q: We have people with flights at 6am tomorrow who are leaving from Bardonecchia. Do we have a transportation schedule? Enzo: Yes, we have. Their pick-up time with the bus is 3 am. We have 7 athletes (SWE and CAN) + 2 ITOs. Airport opens at 4 am. From Bardonecchia to the airport it takes approximately 1h15m.</p>
Comment from United Kingdom of Great Britain and Northern Ireland	<p>GBR: I would like to thank the OC for a fantastic opening ceremony. I can only speak from a GBR perspective. It was the smoothest transition I have experienced from village - ceremony - village in any Games.</p>
Comment	<p>Opening and closing hours of restaurants and canteens are not always respected. Please make sure that they are.</p>
Remark from the Head of Delegation Services	<p>Rui Magalhães: Extra-officials have paid a one-time fee of 75 euros. However, they have to get meal vouchers to eat at venues, since meals are not covered by the one-time fee.</p>
Conclusion	<p>Alessandro Sciretti concludes the meeting, by thanking everyone.</p>
