Agenda

Topic	Discussion
Welcome	Rui Magalhães opens the meeting and does the roll call.
Closing Ceremony	Roberto Outeirino presents the Closing Ceremony. Not every delegation has confirmed their presence.
Transportation	<p>Q (CRO): Speed-skating athletes are arriving in Claretta when the bus is leaving. How do they reach the Ceremony? A (Enzo Calabrò): They can go back to their accommodation and then from the accommodation there are shuttles that will go back and forth. We will not leave people behind.</p> <p>Q (JPN): Could you show us the detailed transportation plan from each village? A (Enzo Calabrò): These are the pick-up times at hotels (<i>see presentation from 20/01</i>). People should be at the pickup location at least 15 minutes before departure time.</p>
CCS medal ceremony	<p>Q (SUD): The Mass Start for CCS is starting at 12:30 in Pragalato. The transport to the Closing Ceremony from Sestriere is leaving at 16:45. When will the medal ceremony for the CCS be? A (Roberto Outeirino): The medal ceremonies take place on the field of play at 10:35 and 12:45. Follow-up SUI: But the competition is starting at 12:30! I hope they will be quick enough to finish the 20km in 15 minutes. I might then understand that the ceremony will be right after the finish of the race. A (Roberto Outeirino): That's the information we got for the medal awards from Sports. We'll be ready at 12:45, so as soon as the competition ends, we will proceed with the ceremony.</p>
Transportation to the Closing Ceremony	<p>Q (USA): Can we have a later bus for NOR and USA since curling is finishing at 16:30? A (Enzo Calabrò): Especially in Torino, there will be extra rounds of shuttles for those going to the Closing Ceremony. Rui Magalhães: Do you know how long after the first departure will the shuttles start to leave? Enzo Calabrò: After approximately half an hour.</p>
Photo gallery	<p>Q (ESP): Is there any place where we can download the photo gallery of competitions? A (Roberto Outeirino): I asked media to create a folder just for the awards. Rui Magalhães: I'll follow up on that and get back to you.</p>
Tickets for families	<p>Q (CAN): Can families come to the Ceremony or will there be no space for them? A (Roberto Outeirino): We have only 2000 spots for public. 900 have already been sold and then there is workforce, volunteers and staff. It will be very hard. I don't think they can come.</p>

Meeting point for Closing Ceremony

Q (CAN): Where is the meeting point for those who are not using transportation provided from the OC?

A (Roberto Outeirino): You have to go to Viale Primo Maggio. We recommend using transportation and not your own cars because there are no parking spaces.

Concerns about Closing Ceremony access

Q (GBR): For the Closing Ceremony, our teams might be on the last bus going there. Is there any concern that people who arrive late will not be able to get in?

A (Roberto Outeirino): I am concerned. We are negotiating with the police to be more flexible and maybe they allow a 10% margin. They will be controlling the entrance. I don't have a final positive answer. A possible solution could be checking the countries and the numbers you provided while you get in.

Rui Magalhães: About food: the numbers communicated to us will match exactly the meal packs that we will provide.

Comment from China

CHN: We just want to express our gratitude. On behalf of the whole delegation, we want to thank FISU and also to the OC because without your help we could not have enjoyed the last days.

Conclusion

Rui Magalhães concludes the meeting and thanks everyone. He wishes good luck for the next FISU Games.
