1. Welcome Messages

1.1 FISU President

Dear delegates

Dear friends and colleagues,

The 2025 FISU World University Games Winter in Torino, Piemonte (Italy) is drawing inexorably closer. "Torino" is a name that has a unique and incomparable significance for FISU. Not only was FISU founded in this beautiful city in 1949, but Torino also hosted the first ever Summer Universiade ten years later in 1959. Moreover, Primo Nebiolo, FISU President from 1961 to 1999, also contributed to strongly linking Torino and FISU together.

Having held the Winter Olympics in 2006, Torino also hosted the Winter Universiade in 2007. Now, we are all preparing to return to the birthplace of both FISU and the Universiade, but also to the mountains in Sestriere, host of the 1966 Winter Universiade and an important cluster for the upcoming Torino 2025 FISU World University Games Winter.

I am very grateful to the Organising Committee of the Torino 2025 FISU Games Winter, but also to the political, academic and sport authorities who are making this student sporting highlight - set from 13 to 23 January 2025 - possible. It is thanks to their unwavering commitment and belief in the values of university sport that these FISU Games will take place.

I wish you all a smooth and successful preparation for your mission at the Torino 2025 FISU World University Games Winter and look forward to welcoming you to the opening ceremony in Torino on 13th January 2025.

Leonz Eder

President of the International University Sports Federation

1.2 OC President

Dear delegates,

Dear Student-Athletes, Coaches, Dignitaries and Presidents of Member Federations,

Dear all,

I am writing today to present our Head of Delegation Manual for the Torino 2025 FISU World University Games Winter. This should help you plan and organize your journey in the best possible way.

Though dates and facts may be of major importance for any successful event, we all know real success is only possible with the right mind-set and true emotions.

Thinking of January 2025 gives me goose bumps. I am certain that all your student-athletes will give their best to excel and shine in their beloved disciplines. It fills me with pride and joy knowing that the FISU World University Games Winter will be staged in stunning areas, with great historical significance in terms of sports and science, of Italy. I am certain we are going to experience perfect synergy of everything what this event is about and believe that the competitions will be a success at all levels: not only athletically and organizationally, but also in broadcast and media coverage.

The Torino 2025 FISU World University Games Winter will come to action thanks to you as Student-Athletes on one hand, but also as Presidents and Heads of the member federations on the other hand. You will be the ones filling the event with life, spreading the spirit of friendship and fair-play, collaboration and cooperation that is inherent to both the world of sports and academics.

The winter university sports community is a big family that is due to get together in Piemonte in just a few months' time, and one thing is for certain: We will have reasons to celebrate and remember not only Torino, but also Sestriere, Bardonecchia, Pragelato, Pinerolo and Torre Pellice!

I am looking forward to welcoming all of you and to proudly sharing the beauty of Piemonte, Italy, with you.

3. Levels of Service

3.1. Transportation Service Overview

The Organising Committee and FISU, in collaboration with the support of Local Authorities (Piedmont Region, the municipalities of Turin and other involved locations), have prepared a dedicated transportation plan for all accredited client groups of the Torino 2025 FISU World University Games.

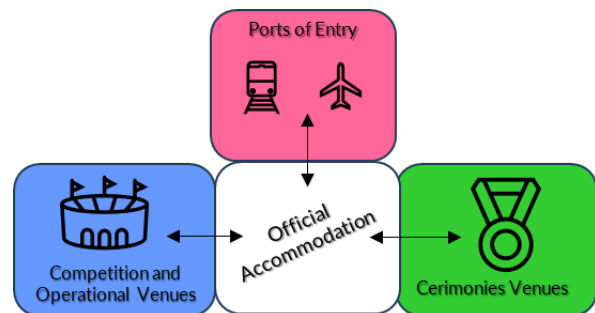

This plan includes the implementation of a series of transport services (within clusters and cross-cluster), performed using existing public transportation services, dedicated scheduled buses and use of assigned/booked car and/or minivan services that are self-driven or with a driver. Transport services for accredited client groups will be deployed according to a specific timeline linked to different levels of service.

Three main types of services with a specific period of activation have been identified:

Competition and training: transport services that connect accommodation locations such as FISU Games Villages, FISU Family Hotels, etc. with competition and training venues.

Arrivals and Departures: transport services that connect the official Points of Arrival (POA) with accommodation locations such as FISU Games Villages, FISU Family Hotels, ITO/NTO Hotels etc.

Ceremonies: transport services that connect non-competition venues (accommodations, MPC, etc.) with Opening and Closing Ceremony venues.

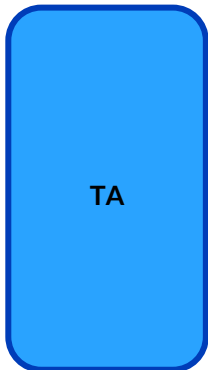

3.2. Client Group Description

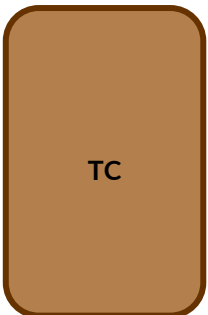

- **Delegation:** includes athletes, coaches, officials, Head of Delegation, Assistant Heads of Delegation, medical and administrative personnel, media liaisons and entourage
- **ITO/NTO:** international and national competition officials
- **FISU Family & OC VIPs:** FISU Executive Committee members, honorary and emeritus members, committee members, FISU staff and FISU advisors as well as guests and VIPs of the OC
- **Media:** journalists, photographers, broadcasters, etc.
- **Workforce:** OC staff, contractors, and volunteers
- **Observers:** OC representatives for the next editions of the FISU World University Games

3.3 Transportation Services

Competition & Training

- **Transport Athlete** is a free service dedicated to athletes, delegation officials and, where possible, to spectating athletes (priority will be given to competing athletes)
- The service is split between Dedicated Buses (for IHO W/M) and Shuttle Buses (all other sports). Both services are activated for competition and training sessions only
- Regarding the Shuttle Bus Service, the frequency of the service is planned according to the competition and training schedule.

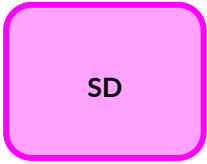

- **Transport Connect** is a free service dedicated to all accredited client groups (Delegations, FISU Family, Media, Workforce, etc.)
- It is a regular Shuttle Bus Service within each cluster and between key POIs (train stations, competition, and non-competition venues, etc.)
- The service supply is planned according to the venue distribution and competition schedule. Only one cross cluster connection is available (Torino <> Pragelato-Sestriere) due to the lack of TP service.

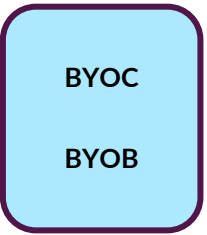

- **Free Public Transportation** service including bus, tram metro for all accredited stakeholders. [More information in section 3.6.](#)

- Shared car service for selected VIP clients only, with a driver on call (can be reserved) and on-demand (using vehicles pre-assigned to a venue – similar to a taxi)
- Available to go to all competition and non-competition venues as well as official accommodations.

- **Self-Drive** option is a free service for the Delegations who are entitled to it.
- The number of assigned vehicles is based on the size of each delegation (quota agreed between FISU and OC).

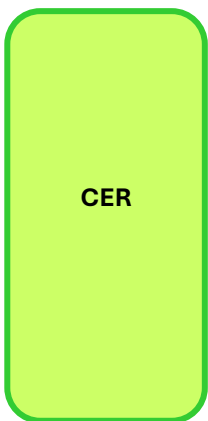

- **Bring Your Own Car/Bus** option is an invitation for delegations to come and operate with their own vehicles instead of using the assigned vehicles provided by the Organising Committee.
- Delegations will receive incentives and daily allowances to cope with the usage of their own vehicle.

Arrivals & Departures

- **Arrivals and Departures** transport is a free service dedicated to accredited stakeholders (including delegations) from/to official POAs and delegation accommodation.
- The service might be dedicated or shared based on grouping options. In some cases, a shuttle service might be activated. The transport service will be adjusted according to multiple parameters (ETA, ETD, delegation size, destination, etc.).

Ceremonies

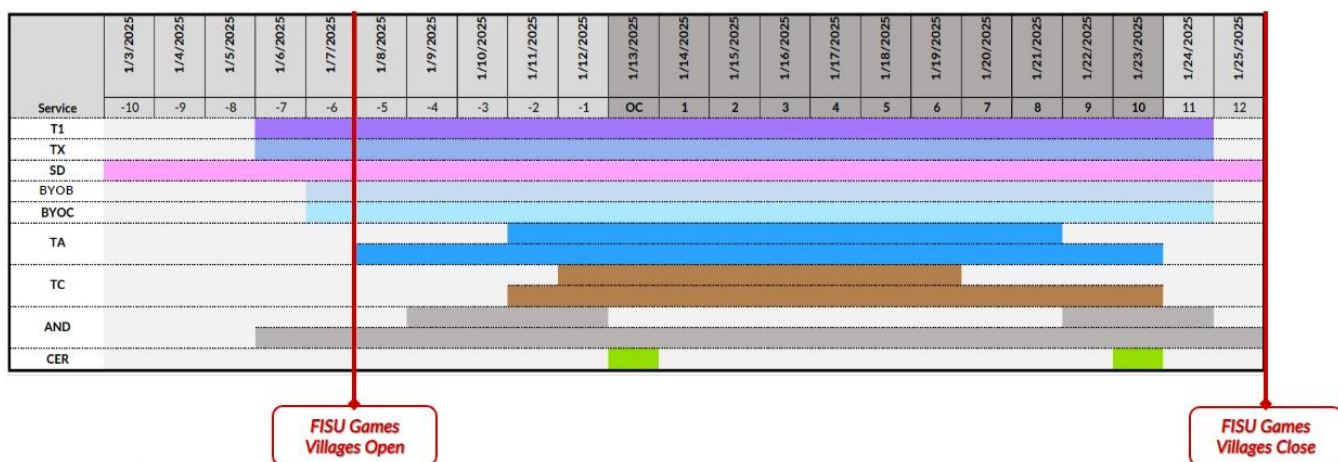

- **Description:** Direct Service with scheduled departures (and/or shuttle services for specific client groups)
- **Origin:** FISU Games Villages, FISU Family Hotels, ITO/NTO Hotels, Official Media Hotels
- **Destination:** Opening Ceremony Venue: Inalpi Arena | Closing Ceremony Venue: Piazzetta Reale
- **Vehicles:** Bus
- **Client Groups:** Delegation (Athletes & Officials), FISU Family (VVIPs & VIPs), OC (VVIPs & VIPs), ITOs/NTOs, Media (Press + Broadcasters), Observers

Overview of Transport Services for Delegations:

- **Bus:** Competition & training (TA, TC, TP, BYOB), AND & CER
- **Fleet:** Competition & training (SD, BYOC)

See below the activation dates for each service type:

3.4 Intra-Cluster Services

We have identified competition and non-competition venues for each Cluster, along with the FISU Games Villages, FISU Family hotels and ITO/NTO hotels where officials, guests, and FISU staff will be accommodated. One or more transport service will be arranged for accredited client groups from or within walking distance of each key location.

3.5 Transport Concept

Each cluster has a dedicated transport concept including TA, TC, TP and TX services. For more information on each cluster click on the following links: [4. Torino](#), [5. Bardonecchia](#), [6. Pragelato-Sestriere](#), [7. Pinerolo-Torre Pellice](#).

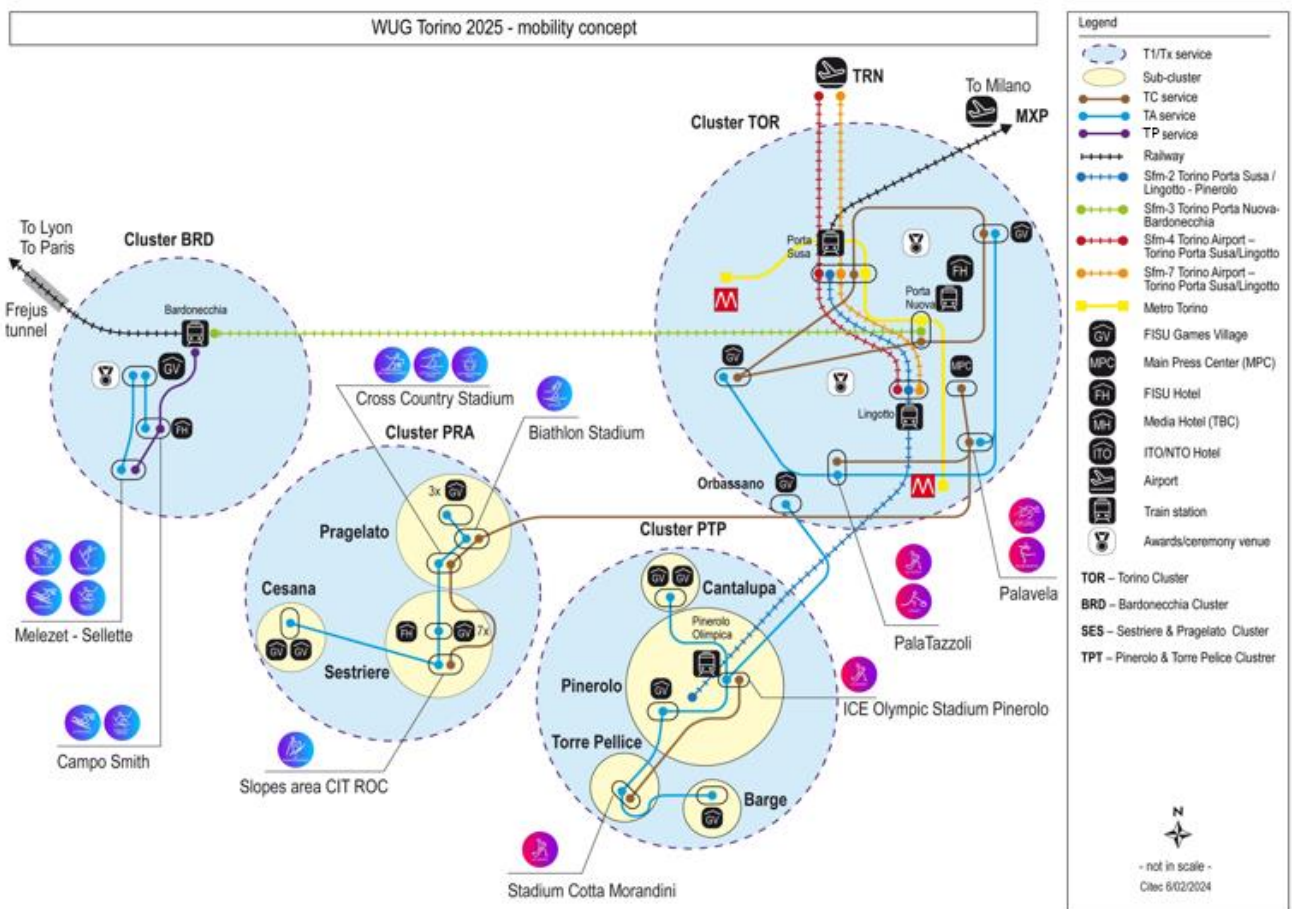

Cross-Cluster Services

As you will see in the upcoming chapters, there is no cross-cluster transport between the mountain clusters. There is a rail service connecting Torino to Bardonecchia and Torino to Pinerolo by train, as well as a TC service connecting Torino to Pragelato-Sestriere.

Competition Venues

Transportation of athletes and delegation officials to the competition and training venues is provided in accordance with fixed itineraries and scheduled departure times.

See below a map of the cross and intra-cluster services for this event:

Journey Planner – Travel Time

Below is an overview of the journey configuration for both cross cluster and intra-cluster transport services, including travel times.

For return journeys on the below routes, it will be the same journey but in reverse order.

INTRA-CLUSTER TRAVEL

Torino Cluster

Transport between FISU Games Villages and competition venues in TOR is provided with the TA service; for more detail, see section [4.1 TA - Services](#).

Bardonecchia Cluster

Olympic Village Bardonecchia to Palazzo delle Feste (MPB)

Transport between the FISU Games Village and competition venues in BRD is provided with the TA service; for more detail see section [5.1 TA - Services](#).

The exception is MPB located in the Palazzo delle Feste as it is within walking distance of the FISU Games Village.

Pragelato-Sestriere Cluster

Transport between FISU Games Villages and competition venues in PRA is provided with the TA service; for more detail see section [6.1 TA - Services](#).

Pinerolo-Torre Pellice Cluster

Transport between FISU Games Villages and competition venues in PTP is provided with the TA service; for more detail see section [7.1 TA - Services](#).

3.6 Public Transportation (TP)

Free Public Transportation service including bus, tram and metro and certain Sfm routes are available for all accredited stakeholders.

Bus, tram and metro:

- **When:** Access from 8th to 23rd January 2025
- **How to access:**

- **Bus and tram:** access by showing your accreditation to the driver
- **Metro:** access by scanning a QR code valid for one day (n.b. one day means from 00:01 to 23:59, **not** 24 hours from the first scan). The QR code will be sent to accredited clients by their respective functional areas.

Important:

The QR code is unique to you and will be linked to your accreditation. Accreditation must be presented when taking the metro. If you are not able to present your accreditation but only the QR code, you risk being fined.

Sfm:

- **Lines: access is free on two lines:**
 - Sfm-2 :Torino-Pinerolo
 - Sfm-3 Torino-Bardonecchia
- **When:** Access from 9th to 23rd January 2025
- **How to access:** access by showing your accreditation

4. Torino Cluster (TOR)

The Torino Cluster (TOR) will be the focal point of the games with:

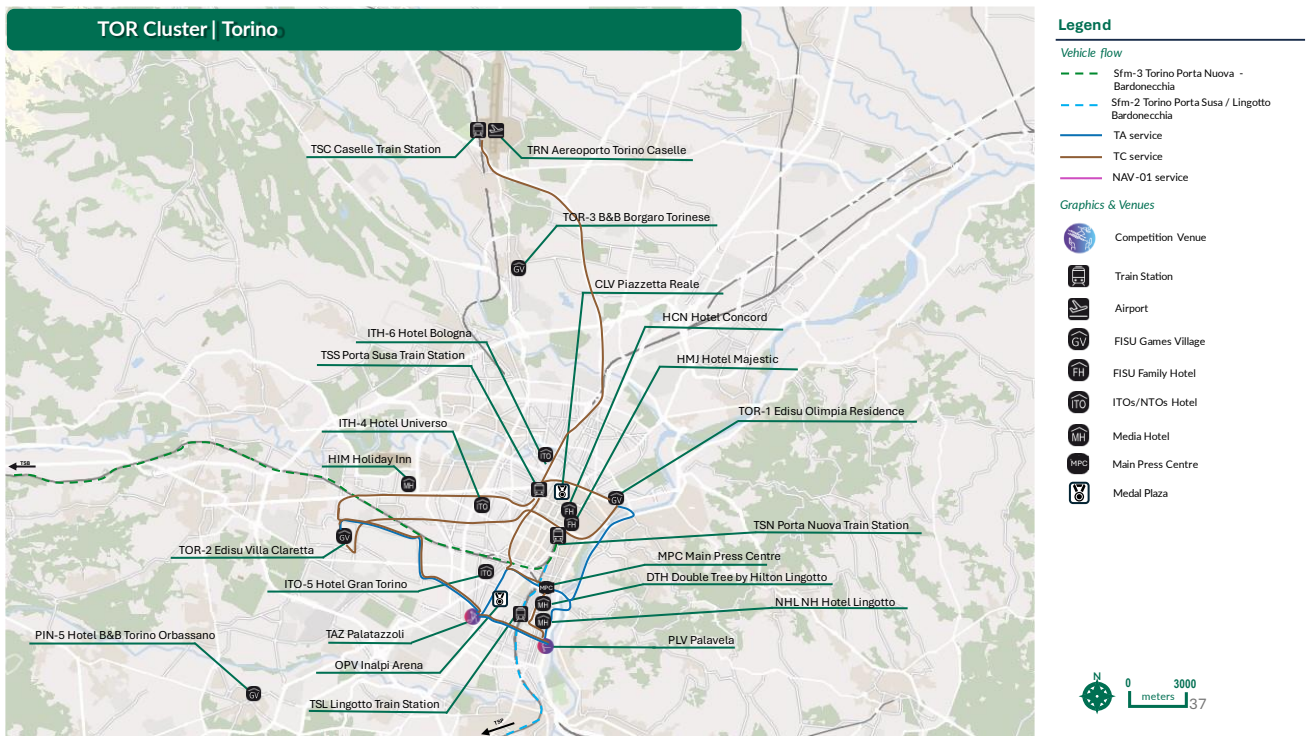

- Two (2) main POAs: Torino Porta Susa train station and Torino-Caselle International Airport
- Two (2) FISU Games Villages and three (3) official ITO/NTO hotels
- The Opening ceremony at the Inalpi Stadium and the Closing Ceremony in Piazzetta Reale

TOR is connected to BRD and PTP by rail (Sfm) and to PRA by road using the TC service.

In TOR there are two (2) competition venues and eight (8) non-competition venues:

8. Arrivals & Departures

There are two (2) official points of Arrival and Departure:

- Torino-Caselle International Airport - TRN
- Turin Porta Susa train station - TSS

Only these two official Points of Arrival (POA) will be provided with official transportation services.

Transport to/from the official accommodations will be provided and operational from 8th to 25th January.

Unless approved in advance, any delegation member arriving before the 8th of January, or departing after the 25th of January must arrange for, and cover costs of, transportation.

8.1 Arrivals: TRN (Torino Airport) | POA

Transport is provided to all official accommodation and is based on the operational time of the airport.

Passengers will be responsible for bringing their own luggage to the bus for loading with the assistance of Logistics staff.

The Transport team is not directly responsible for the transportation of equipment and is working alongside the Logistics team to ensure there are enough vehicles for delegate equipment.

Please note that due to limited parking spaces in the pick-up zone at the airport, there may be delays between the time you arrive at the airport and depart. We aim to keep this below one (1) hour.

For pick-up locations at TRN, see the maps in [Section 15](#).

8.2 Arrivals: TSS (Torino Porta Susa) | POA

Transport is provided to all official accommodation and is based on the operational time of the station.

Passengers will be responsible for bringing their own luggage to the bus to be loaded with the assistance of the bus driver. The Transport team is not directly responsible for the transportation of equipment and is working alongside the Logistics team to ensure there are enough vehicles for delegate equipment.

Please note that due to limited parking space in the pick-up zone at the station, there may be delays between the time you arrive at the station and depart. We aim to keep this below one (1) hour.

For pick-up locations at TSS, see the maps in [Section 15](#).

8.3 Arrivals: Non-Official Points of Arrival

The OC is not able to provide support for any transportation requirements from points of arrival other than the official points of arrival and departure (TRN and TSS).

Milan Malpensa Airport

If participants choose to fly to Milan Malpensa airport, they can make use of the rate card available at participants' own cost. The drive takes at least 2 hours. Alternative options are:

- **Train:** [Malpensa Express](#) to Milano-Centrale train station; you can then either take
 - High speed train to Torino-Porta Susa (1 hour)
 - Regional train to Torino Porta Nuova (approx 2 hours) from
- **Coach:** From Milan Malpensa
 - To Torino Coach Station on Corso Bolsano (2 hours)
 - To Torino Lingotto, Torino Porta Susa or Torino Corso Cesare (1h30 to 2 hours)

8.4 Departures: TRN (Torino Airport) | POA

Upon check-in at the MAC, delegates will confirm their departure schedules with the AND team. Based on this, departure times from the official accommodation will be confirmed. We will get you to the airport at least 3 hours before your flight.

Please note that if any Departure information is not communicated or it is incorrect, the transfer times may not be booked correctly. In this instance, TRA cannot guarantee transportation which will have to be arranged directly by the delegation at its own expense.

Though specific pick-up times will be communicated, pick-up times follow the general rules below:

- Pick-up from Torino: 4 hours before your flight
- Pick-up from the mountain clusters (BRD, PRA, PTP): 5 hours before your flight

8.5 Departures: TSS (Torino Porta Susa) | POA

Upon check-in at the MAC, delegates will confirm their departure schedules. Based on this, departure times will be organised from the official accommodation to TSS. We will get you to the train station at least 30 mins before your train.

Please note that if any Departure information is not communicated or it is incorrect, the transfer times may not be booked correctly. In this instance, TRA cannot guarantee transportation which will have to be arranged directly by the delegation at its own expense.

8.6 Departures: Non-Official Point of Arrival

The OC is not able to provide support for any transportation requirements to POAs other than the official points of departure.

Milan Malpensa Airport

If participants choose to fly from Milan Malpensa airport, they can make use of the rate card available at participants' own cost. The drive takes at least 2 hours. Alternative options are:

- **Train:** To Milano Centrale. You can then either take:
 - High speed train from Torino-Porta Susa (1 hour)
 - Regional train from Torino Porta Nuova (approx 2 hours)Then the [Malpensa Express](#) from Milano-Centrale train station to Milano Malpensa Airport
- **Coach:** To Milan Malpensa
 - From Torino Coach Station on Corso Bolsano (2 hours)
 - From Torino Lingotto, Torino Porta Susa or Torino Corso Cesare (1h30 to 2 hours)

9. Ceremonies

On the days of the opening and closing ceremonies there is a dedicated service with scheduled departures from all FISU Games Villages to the Opening and Closing Ceremony Venues. This is a dedicated round-trip service for athletes and delegations.

- Opening Ceremony: Monday 13th January 2025 at the Inalpi Arena (OPV)

9.3 Medal Ceremonies

Torino

The medal ceremonies in TOR will take place in the venues (TAZ and PLV) after the matches have concluded. No dedicated transport is provided as teams will be on site already. Delegations have the option of taking TA, TC or TP.

Bardonecchia

All medal ceremonies in BRD will take place in the [Palazzo delle Feste](#). No transport is provided as the venue is within walking distance from BRD-1 (12-minute walk). Those coming by car (with a VAPP) can park in the P2 parking at BRD-1.

Pragelato-Sestriere

All medal ceremonies in PRA will take place at the Medal Plaza in Sestriere (MPS) located in [Piazza Fraiteve](#).

CER vehicles will support the transfers to/from MPS of athletes not staying in Sestriere.

More details will be available during games time. No dedicated transport is scheduled for spectating athletes or other members of the delegations.

Pinerolo-Torre Pellice

As the Ice Hockey finals and third place play-offs are taking place in Turin, there are no medal ceremonies taking place in PTP. IHO teams can take the TA-Teams or BYOB from their FISU Games Village to Pala Tazzoli in Torino.

10. Delegation Vehicles

The OC provides a set number of vehicles to delegations according to requirements agreed between FISU and the OC. These vehicles can be used to travel to the competition venues, villages as well as to the other official Torino 2025 FISU World University Games locations. Delegation vehicles will be assigned in accordance with delegation size as follows.

Delegation Size (Athletes and Officials)	Vehicle Quota
1 to 4	0
5 to 49	1
50 to 109	2
110 to 159	3
Over 160	4

Options available for delegations are limited to the following:

10.1. SD: Self-Driving

The Organising Committee provides vehicles without a driver as per the above chart. *For example, your delegation size is 23, you are therefore entitled to a quota of 1 vehicle.*

When: Available from 3rd to 25th January.

Who can drive: Drivers must be at least 21 years old and carry an internationally valid driver's license.

There is no limit to the number of drivers per vehicle. All drivers must, however, register as a designated driver at the bus depot in Lingotto with their driving license and a form of ID.

Deposit: A deposit is **not** required for the self-driving option.

VAPPs and pre-paid cards: Each vehicle will receive a VAPP and a prepaid card with a credit of 30€ per day to pay for fuel.

Fuel: The pre-paid card can only be used at certain designated fuel stations. You can find the list of fuel stations [here](#). Select “Carte Economy” from the drop-down menu above the map.

Tolls: There is a telebadge in the vehicle with which you can go through tolls automatically using the “Telepass” yellow lines.

Parking: The P2 parking area is designated for SD vehicles on competition and non-competition venues regulated by VAPP.

Penalties: Any penalties incurred must be paid by the driver.

Area of operation: Use of vehicles is allowed between official WUGTO25 destinations only. Cross Cluster travel is permitted although no Organising Committee vehicles can operate outside of the Area of the Metropolitan City of Turin (mountain clusters)

10.2. BYOC: Bring Your Own Car

- Delegations have the option to bring their own car. Each car requires a VAPP provided by the OC. Each VAPP will replace a delegation-assigned vehicle as per the quota in the chart above. *For example, your delegation size is 120, you are therefore entitled to a quota of 3 vehicles. You would like to bring 1 of your own cars. A VAPP is issued for your own car, and you will then receive 2 self-driven vehicles with VAPPs from the OC, totalling your quota of 3 cars.*
- If approved, the Organising Committee will provide a VAPP that must be displayed in the vehicle to access delegation parking areas in all competition venues.
- Delegations will receive a 75€ credit per day per entitled vehicle (including arrival and departure days) to cover petrol, toll charges, washing services, and usage of a personal vehicle. Details of the payment policy are available in [Section 10.4](#).

10.3. BYOB: Bring Your Own Bus

- IHO teams are invited to come to Torino in their own bus. As with BYOC, each vehicle requires a VAPP provided by the OC. Each VAPP will replace an IHO team-dedicated bus.
- If approved, the Organising Committee will provide a VAPP that must be displayed in the vehicle to access the delegation parking areas in all competition venues.
- Delegations will receive a 500€ credit per day (including arrival and departure days) to cover petrol, toll charges, washing services, and use of a personal vehicle. Please note that this is only applicable if BYOB is used during the entire duration and credit cannot be given for single day use. *For example: if you hire a*

bus for one day to get from a non-official OPA to the FISU Games Village on your arrival day, you will not receive the 500€ credit for that one day. Details of the payment policy are available in [Section 10.4](#).

- If a delegation decides to come with more than 1 bus per IHO team, the above points will be valid only for the first bus.
- Prepaid cards and VAPPs are collected upon arrival, at the MAC.

10.4. BYOC & BYOB payment policy

- Each delegation using either the BYOC and/or the BYOB option, will be required to verify the total amount they are entitled to receive with Delegation Services before their departure from Italy at the end of the Games.
- Once cleared with Delegation Services, each delegation must send an invoice to the OC with the total amount due (including their bank account details). The OC will verify all the requests and will send a bank transfer for the amount due. Delegations can expect to receive the money between 2 and 3 weeks after their invoice has been received.

10.5. Additional Vehicle Policies

VAPPs will be assigned based on requests made via the Google form sent in October. Those who requested additional VAPPs must pay attention to following:

- Requests for additional VAPPs will be approved or denied by mid-December.
 - For additional vehicles that are brought on top of the delegation quota, the VAPPs will be granted based on the available space and number of requests received.
 - Additional vehicles with a VAPP can park in P2 parkings on competition venues and limited in FISU Games Villages.
 - OC is not responsible to provide any parking sport for additional vehicles without VAPP.
 - Traffic in and around the Torino Area and other clusters may be restricted with the Low Emission Zone and Limited Traffic Zone.

It is important that vehicles are equipped for winter conditions, with snow tires, as roads can be covered by snow or ice during this period.

11. ITO/NTO Dedicated TX Service

The transport service available for ITO/NTOs is the TX service. Should they choose to, ITO/NTOs are equally entitled to use the TC and TP services.

What is the TX service?

It consists of a vehicle with a volunteer driver. The service is available on demand and is a bookable service shared with the FISU Family and OC VIPs. All transport for ITOs/NTOs will receive priority when the vehicles are assigned.

When is it operational?

The TX service is operational from 6th to 24th January inclusive, between the hours of 07:00 and 22:00.

An exceptional service will be provided for ITO/NTOs whose shift ends after 22:00. This does not apply for service before 07:00.

How do I book a TX?

A request can be made through the ITO/NTO relations Manager.

How much in advance should I book?

Please remember to book your travel at least 24 hours in advance

A Request for Transfer (RFT) must be made as per the following rules:

- RFT within the same cluster: booking must be made by 20:00 the day before.
- RFT cross-cluster: booking must be made by 18:00 two days before.
- If an RFT is made after these deadlines, we cannot guarantee that the transfer will be available and/or will arrive on time.

Where is the pick-up and drop-off point?

When taking the TX service, it is important to remember that the pick-up and drop-off points are not in the same area as the athletes.

The pick-up/drop-off point for TX is the P1 parking on competition venues, and the TX Load Zone at hotels. On competition venues, the P1 parking will bring guests to the VIP entrance. For specific pick-up and drop-off locations, please refer to the maps in [Section 15](#).

12. Additional Transport Services

12.1. Doping Control Transport Services

Transportation for doping control purposes (e.g., from venue to Village if the last bus is missed) will be provided on demand via Organising Committee vehicles and in coordination with the Medical Services and Doping Control team.

MED must contact the Cluster Transport Manager and request a TX with as much advance warning as possible. Please note that the less in advance the request is made, the longer the athlete will have to wait for the TX.

The operational hours of the TX service are 07:00 to 22:00 and no transfers will be available outside of these hours.

12.2. Hospitals and Medical Transportation Services

Transportation to hospitals for non-emergencies will be provided on demand via Organising Committee vehicles in coordination with the Medical Services and Doping Control team.

MED must contact the Cluster Transport Manager and request a TX with as much advance warning as possible. Please note that the less in advance the request is made, the longer the athlete will have to wait for the TX.

The operational hours of the TX service are 07:00 to 22:00 and no transfers will be available outside of these hours.

All emergency related transport will be provided via ambulance service as directed by the Medical Services and Doping Control team. In cases where the venue or Village ambulance service is not available, the European Emergency Number 112 should be called.

12.3. Spectating Athletes

Spectating Athletes may take the TA services available.

Please note that priority will be given to competing athletes.

If there is no space available on the TA services, spectating athletes may take the TC service.

Spectating athletes are **not** permitted to take the TA-Teams buses as these are dedicated to IHO teams.

13. Vehicle Access Parking Permit (VAPP)

The **Vehicle Access Parking Permit (VAPP)** will allow access to Torino 2025 FISU World University Games selected parking areas depending on the transport code.

Parking and Load Zone access at competition venues is limited, and every vehicle requiring access and/or parking must clearly display a VAPP. Information regarding parking at competition and non-competition venues is detailed in [Section 13.2](#).

A VAPP dictates where and when a vehicle may:

- ✓ Pass through a vehicle Permit Checkpoint (PCP)
- ✓ Park in a designated parking area

The VAPP must always be displayed on the vehicle; affixed to the windscreen on the lower right-hand side.

In each competition venue dedicated staff will ensure that delegations have access to their dedicated parking according to transportation plan policies.

13.1. VAPP Codes and Design

The VAPPs come in different colours and with different codes that each indicate the selected venue parking area and will be applied to one or more client groups.

Code	Client Group
P1	FISU Family/ VIP/ VVIP/ITO&NTO
P2	Delegations, Workforce and Observers
P3	Media & Broadcast
PX	Police & Emergency Services
TA	Delegations Members (Athletes, Officials)
TA TEAM	Hockey Team
TC	Transport Connect

VAPP Design and Instructions

Different sizes of VAPPs will be applied to cars and buses and they will all read a unique serial number that will be linked to one vehicle numberplate.

VAPPs are not transferable.

Vehicles: A5 size (sticker)

Front

Buses: A3 size (cardboard)

Front

On the back of the VAPP you will find instructions and directions; there is also a QR code which when scanned will take you to a page with a map for each venue showing the designated parkings.

Back

13.2. VAPP Policies

VAPP requests and distribution

In agreement with all functional areas a limited number of additional VAPPs will be provided for any self-driven own vehicles. Delegations had the option to request additional VAPPs via the dedicated Google Form prepared by Transport and sent to all FAs.

Submission deadlines for delegations was 8th November 2024.

Requests will be reviewed by the OC (Transport) and FISU based on venue availability and priority; all representatives will be informed of the approval or denial by mid-December 2024.

Collection of VAPPs

All approved VAPPs for Delegations will be available for collection from the Main Accreditation Centre (MAC) from 6th January 2025.

Parking with a VAPP

- Competition venues: delegation vehicles with VAPPs may park in dedicated P2 parkings. **Please note that spaces are limited and will be on a first-come first-served basis.**
- FISU Games Villages:
 - TOR (Edisu Olimpia and Edisu Villa Claretta) and BRD (Olympic Village Bardonecchia): P2 parking is provided for which a VAPP is required. **Please note that at Villa Claretta, spaces are very limited and may not be able to include more than 5-10 delegations. Parking will be on a first-come first-served basis.**
 - PRA (PRA-1, PRA-2, PRA-3, CET-1, CET-2, SES-1, SES-2, SES-3, SES-4, SES-5 and SES-6) and PIN (PIN-1, PIN-2, PIN-3, PIN-4 and PIN-5): P2 parking is not provided and a **VAPP is not required** to park at the accommodations. Please contact Accommodation Services to verify if there is Parking available at your FISU Games Village / accommodation.

14. *Transport Department Management*

Head of Transport – Enzo Calabrò

Deputy Head of Transport – Alberto Pisani

For any transport queries or requests, please email transport@wugtorino2025.com.

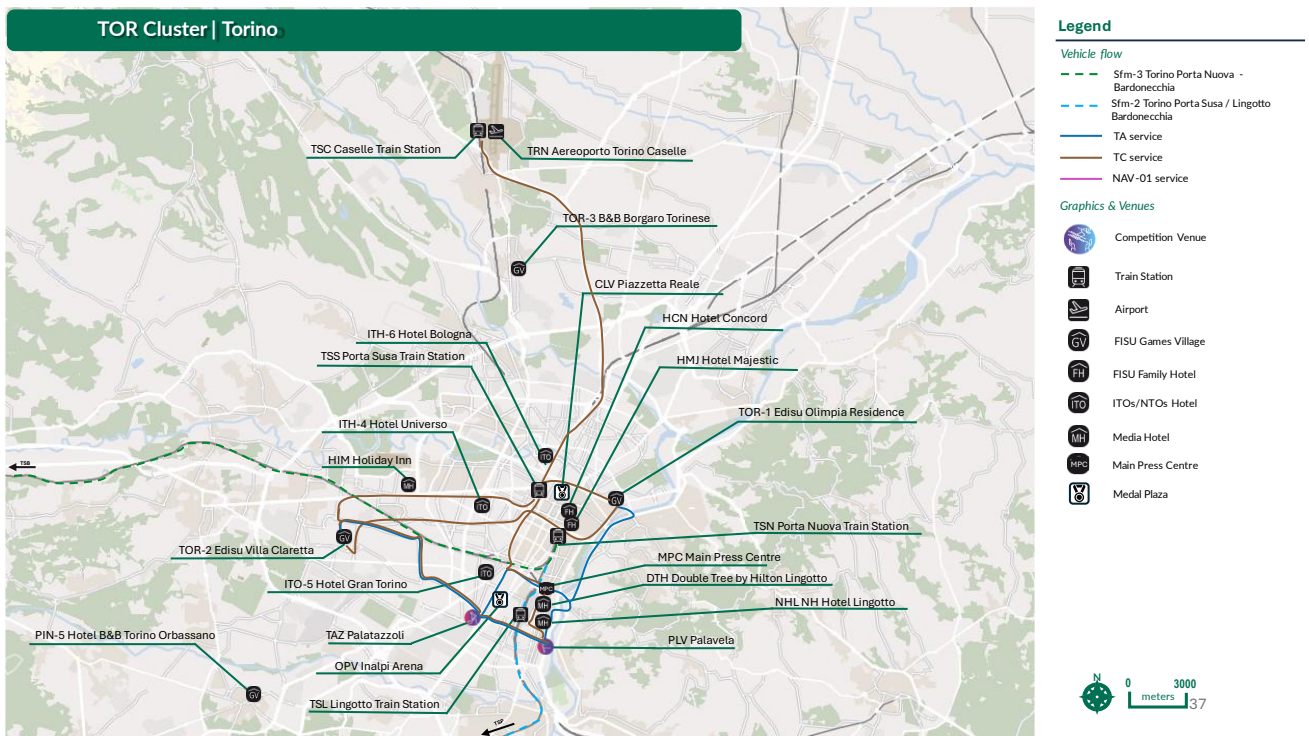

We will reply as soon as we can.
